**RUGGED HIDE**  
AUSTRALIA

Oran Leather is an Australian owned and run family business. It is among the leading wholesale leather-goods companies in Australia. Today we mainly use the label of Rugged Hide by Oran Leather.

At Oran, we pride ourselves in creating beautiful leather goods, at affordable prices. This is done while using the highest quality, natural leather, sourced from some of the world's oldest and best skilled tanners, where knowledge and craftsmanship have been passed down through the generations. Adapting the latest and cleanest technologies is a constant goal we strive for.

We have an ever-growing collection, often pieces evolve from one season to the next, adding seasonal colours and extending stories.

This season, we have added to the existing, and popular 'Soft Wash' collection (see pages 6 and 7).

There are a number of new and on-trend 'Belt bags' and some studs.

Of course, we had to introduce a few more woven bags - you all love that look so much!

Our goods are individually handmade, so no two pieces are identical, each is a perfect match - made just for you.
